

The Together Centre's 'WHAT'S ON' Guide for 2023/2024!

2020 - 2023 has been challenging for us all and the ongoing crisis has brought fear, hardship, and sorrow for many. Here at The Together Centre Charity, we have been working hard to deliver our support services and innovative workshops in new ways to continue to support our Friends at a time when it is needed most.

The Together Centre provides meaningful support services for local Families within a thriving and full accessible Community Hub, and our ambition is to support and encourage empowering positive outcomes whilst demonstrating inclusive and equal participation. We provide the opportunity to explore new interests by taking part in a range of inclusive activities. Whether it's a local walk, bingo, crafts, crocheting, mums and tots peer support, or even a game of pool, we want everyone to find something they enjoy - We'll support you to explore and find your passion whilst developing friendships and learning new and everlasting skills - We've even helped families to realise their ambition of 'growing your own fruit and vegetables' - No previous gardening experience is needed.. Just a pair of wellies!

Families now also have the opportunity to come along to our Food Pantry, Community IT Suite and Library, enjoy a FREE meal on us delivered to your door.. and MORE! Coming together for a sing-along with friends, our monthly table-top sales or even a pie supper is always a must! So come along, it would be lovely to see you and if we can help you with anything, please just ask - We are here for you; ages 0 - 100+..
